DISCLAIMER

This document is a promotional communication. This financial product is a structured product and, as such, is an investment that involves a high degree of risk, intended exclusively for those investors who have a good knowledge of investments and who are able to understand the characteristics, valuation mechanisms, risks and costs. The Certificate presents a capital risk at maturity and during the life of the product. Investors are subject to credit risk from Exane Derivatives (Moody's Baa2; S&P BBB+), guarantor of the Certificate, and Exane Finance, issuer of the Certificate.

Fluctuations in currency exchange rates can have a negative impact on the value, price, and revenues of the products analyzed in this document. It is the investor's task to proceed with his own analysis of the characteristics and risks related to the transactions, products or transactions mentioned in this document, possibly using the advice of professionals (including legal, tax, accounting consultants) deemed useful. Before the purchase, please read the prospectus, authorized by the Luxembourg Surveillance Authority, CSSF, and available free of charge on request on the issuer's website (www.exane.com/exaneissues). This document does not in any way constitute a solicitation or offer to purchase the product in countries where the solicitation or offer is not authorized.
